

Freie Universität Berlin
Department of Veterinary Medicine
Institute for Immunology

Practical Course: Cellular Immune Responses

When: 15.02.18 and 16.02.18, 14:30 – 18:30

Where: Zentrum für Infektionsmedizin, Robert-von-Ostertag-Str. 7-13, 14163 Berlin,
Raum 236

Content: Innate immune responses of macrophages: production of oxygen radicals and phagocytosis assay

1. Day:

Stimulation and detection of inducible nitric oxide production of macrophages

2. Day:

Induction and inhibition of phagocytosis of *Staphylococcus aureus* by macrophages
