

- 17:50 – 18:10 Kamphues, J. (Germany)
Including Elancoban® (Monensin-Na) in diets for fattening turkeys for 12 or 16 weeks – effects on performance and further parameters of the health status
- 18:10 – 18:30 Powell, K.C. (USA)
Use of 25-OH Vitamin D3 (Rovimix Hy.D®) in turkeys

Discover Berlin by yourself

Friday, 22nd June 2007

Welfare and Husbandry

- 8:30 – 9:00 Grimes, J. (USA)
Nipple drinkers for brooding turkeys
- 9:00 – 9:20 Bosse, H. and Meyer, H. (Germany)
Different methods for turkey rearing
- 9:20 – 9:40 Yahav, S. (Israel)
The effect of ventilation on performance and thermoregulation of young and elderly turkeys
- 9:40 – 10:00 Hafez, H.M. (Germany)
Footpad dermatitis: Review on possible causes
- 10:00 – 10:20 Berk, J. (Germany)
Can alternative kinds of litter reduce food pad lesions in female turkeys?
- 10:20 – 10:40 Hocking, P., Mayne, R., Elses R., French, N. and Gatcliffe, J. (UK)
A proposed standardized footpad dermatitis scoring system for use in turkey processing plants
- 10:40 – 11:00 Enting, H. (Spain)
Short and medium chain fatty acids can improve turkey performance and litter quality
- 11:00 – 11:30 **Coffee Break**
- 11:30 – 11:50 Götting, C. (Germany)
Investigations on the development of calcium and phosphorus contents in blood and bones of fattening turkeys of different lines
- 11:50 – 12:10 Kósa, E., Jakab, L. and Nagy, G. (Hungary)
Effect of a prebioticum „Immunovet HBM” on the health status and production parameters of Hungarian commercial turkey flocks

12:10 – 12:30 Joseph, O.I. (Nigeria)
Understanding the functional genomics in turkey

12:30 – 14:00 Lunch

Turkey production and Health

14:00 – 14:30 Hulet, M. (USA)
Nutritional strategies to improve growth and efficiency of hen turkeys

14:30 – 15:00 Windhorst, H.-W. (Germany)
The boom of bio-energy production – a threat for the poultry industry?

15:00 – 15:30 Hafez, H.M. (Germany)
Breeder and hatchery an integrated part of commercial turkey health

15:30 – 15:50 Luy, J. (Germany)
Animal disease control – ethical considerations

15:50 – 16:10 Lojkic, I. (Croatia)
Mixed viral enteritis of turkey poults in Croatia

16:10 – 16:30 **Coffee break**

Turkey health disorders

16:30 – 16:50 Popp, C. and Hafez, H.M. (Germany)
Histomoniasis in turkey flock in 2007: Case report

16:50 – 17:10 McDougald, L.R. (USA)
Blackhead Disease: The search for new targets for chemotherapy and immune protection

17:10 – 17:30 Hauck, R., Fuller, L. and McDougald, L.R. (USA)
Interaction between *Histomonas meleagridis* and bacteria

17:30 – 17:50 Landman, W. (The Netherlands)
In vitro and in vivo activity of herbal products against *Histomonas meleagridis*

17:50 – 18:10 Jaouzi, T. (Morocco)
Newcastle diseases in broiler turkey: Serological profiling using three different antigens (Lasota, Clone 30 and VG/GA)

18:10 – 18:30 Velek, K., Leathers, V., Packer, B., Munoz, R. and Goetz, C. (Switzerland)
Validation of an Avian Influenza ELISA test using serum samples from turkeys

20:00 Symposium Dinner

Saturday, 23rd June 2007

Turkey health disorders

- 09:00 – 09:30** Grabkowsky, B. (Germany)
Regional risk assessment for the introduction of Avian Influenza in poultry producing farms
- 09:30 – 10:00** Lister, S. (UK)
H5N1 outbreak in turkeys in UK in 2007 - lessons to learn?
- 10:00 – 10:30** Aly, M. (Egypt)
One - year surveillance on Avian Influenza H5N1 in backyard poultry in Egypt
- 10:30 – 11:00** Kőrösi, L., Gávits, R., Ivanics, É., Bálint, Á., Pálmai, N., Márton, L., Dán, A., Ursu, K., Szeredi, L., Deim, Z., Rigó, D., Tekes, L., Zarka, P., Nagy, E., Dobos - Kovács, M. and Pálfi, V. (Hungary)
Avian Influenza in Hungary
- 11:00 – 11:30** **Coffee Break**

Turkey health disorders

- 11:30 – 11:50** Bisgaard, M. (Denmark)
Investigations on the involvement of taxon 14 in upper respiratory tract infections and blepharoconjunctivitis in turkeys
- 11:50 – 12:10** Behr, K.-P. (Germany)
Bacterial colonisation of the respiratory tract: Observations in commercial turkey flocks
- 12:10 – 12:30** Bugajak, P. and Jędryczko, R. (Poland)
Occurrence of bacteriological diseases of turkey diagnosed in 2000 – 2006
- 12:30 – 12:50** Levisohn, S. (Israel)
Monitoring of *Mycoplasma gallisepticum* vaccine strains-11 in vaccinated broiler breeder - chickens and non-vaccinated chickens and turkeys infected by transmission
- 12:50 – 13:10** Bisgaard, M. (Denmark)
A new species of Neisseria associated with respiratory distress in turkeys
- 13:10 – 13:30** **Summary and conclusion**
