**06th International Symposium on Turkey Diseases
Berlin, Germany 11th - 13th Mai 2006**

First circular

Dear Colleagues,

The German Veterinary Medicine Society with the Institute of Poultry Diseases, Faculty of Veterinary Medicine, Free University Berlin and the German branch of the World Veterinary Poultry Association are planning to hold

**The 6th International Symposium on Turkey Diseases
Berlin, Germany 11th - 13th Mai 2006**

The program will cover the following topics:

Turkey diseases
Management and health related problems
The influence of legislations on the turkey production
Turkey meat and consumer protection
Animal welfare

Presentations (15 min) should deal with one of the main topics of the symposium and cover new research data or recent field observations.

The official language is English. Simultaneous translation will not be available.

I would appreciate, if you can send this announcement and registration form to anybody interesting to attend.

I appreciate your soon response. For further questions please don't hesitate to contact me.

Sincerely

Prof. Dr. H. M. Hafez

Registration

Please complete the attached registration form and send it to the organizer at the above address as soon as possible and ***not later than March 31st, 2006***
