Pilot's Letzter Westfale

EU-Besamungsstation
Pferdezentrum Bad Saarow

Pilot's Letzter is again available in 2017 within the EU. Chilled and frozen semen can be ordered from the EU-AI centre of the Pferdezentrum Bad Saarow.

Life number: DE 341411482097
 Westphalian horse, bay, Height 173 cm
 Year of Birth: 1997
 Breeder: Werner Hoppe
 Owner: Pferdezentrum Bad Saarow

Despite his excellent character Pilot's Letzter stands out due to his remarkable semen quality.

Licensing in Westfalen in **1999** and approved for Westfalen und Brandenburg-Anhalt.

Stallion Performance Test in **2000** in Münster-Handorf. In the performance test for 100 days, Pilot's Letzter was evaluated with an overall index of 103.35 and obtained 99.11 for dressage and 106.43 for showjumping.

Pilot's Letzter was internationally successful up to the advanced level (S*) and yielded a life winning sum of 7 936 Euro. At the age of five years, he placed at the Federal Championships (winner and 2nd best) with Marc Bettinger and was qualified for the world championship for young horses in Lanaken (Belgium) where placed successfully (1st and 7th best). In the following year, at the age of 6 years, he gained the 4th best result with Florian Meyer zu Hartum in Warendorf.

Sire: Pilot

Pilot is one of the most important stallions of the Westphalian breed. He passed his outstanding ability for showjumping to his offspring. Of his offspring, 785 have been successful sport horses - of which 231 were successful in showjumping and 4 in dressage up to advanced level (S). Meanwhile, the winnings of his offspring comprise 3949589 EUR. He bequeathed to us 84 licensed and approved sons.

Dam: Akiva (v. Akzent II)

Her own offspring are successful sport horses in showjumping up to the advanced level (S) and her father, Akzent II, has successful offspring up to the advanced level (S) in showjumping (11), dressage (56), military (3) and carriage (1), together achieving 806644 Euro. He bequeathed to us 15 licensed and approved sons.

Offspring

Pilot's Letzter was primarily assigned as a sport horse. Until now, four of his offspring are registered for sport and successful up to the advanced level (S).
