Upper Delves James' offspring are seen around the world and are registered by the British Shire Horse Society, which has been established in 1878 to promote the Old English Breed of Cart Horse.

Life number: UELN 826 040 0000C1441

Stud Book No: 47389

Breed: Shire Horse

Color: Grey

Height 186 cm / 18,31 hand

Year of Birth: 2007

Breeder: Mr J. Shardlow, Upper Delves Farm

Owner: Thomas Schmitz, Berlin

Despite his remarkable height of 186cm Upper Delves James is standing out for his gentle personality. With his father Brickell Cowerslane Sir Jim and his mother Upper Delves Lady Grey von Elian Grey Prince, Upper Delves James is continuing the Grey line. All over the world, there are only about 176 grey stallions and almost all offspring of Upper Delves James are grey.

With his heavy joints and bones and his imposing male charisma, the stallion is of the old classical type of Shire Horses, going back to the ancient lines of the Cart Horse. The male line of breeding goes back to Oldacres Mansetter, born in 1760, and the female line to Old Kirby, born in 1768.
