

3rd CIRCULAR

Dear colleagues, dear friends,

our meeting is inevitably approaching and there are few last things I would like to bring to your attention. Payment of the conference fees must be completed by bank-transfer (wire transfer) to the account provided on the meeting webpage. Overseas attendees are permitted to do on-site payment. We however do not accept credit cards and the payment must be in cash. I want to make clear also that the accommodation included in the conference fee is from the 11th (Sunday) until the 15th (Thursday) of May. Those arriving on Saturday will have to pay 1 night accommodation in private capacity (cost is 30 Euro per bed). Also please let us know whether you request dinner to have on Saturday evening and breakfast and lunch on Sunday. If yes, dinner, breakfast and lunch comes to 25 Euro per person. Lastly: How to recognize a pick up person at the airport in Vienna? Easily, he or she will wait at the arrivals wearing the T-Shirt with the conference logo. Just to stay on the safe side, you will be provided with the phone number, where you may call in case of any unexpected situation such as flight delay etc. I am looking forward to see you all soon in the beautiful castle of Smolenice.

Sincerely yours

Martin Kolisek & Juergen Vormann
