Dear Colleagues

On the behalf of the World Poultry Science Association - Federation of European Branches, the Institute of Poultry Diseases, Free University Berlin, will planning to organize:

8th “Hafez” International Symposium on Turkey Production

Meeting of the *Working Group 10 (Turkey)*

The program will cover the following topics:

- 1) Current and future development on genetic and nutrition
- 2) Current production situation and related problems
- 3) Rearing management and health related problems
- 4) Animal welfare
- 5) Consumer protection and product safety
- 6) The influence of legislations on the turkey health and production

Presentations (15 min) should deal with one of the main topics of the symposium and cover new research data or recent field observations.

The official language is English. Simultaneous translation will not be available.

I would appreciate, if you can send this announcement and registration form to anybody interesting to attend.

For further questions, please do not hesitate to contact me.

Sincerely

Prof. Dr. Dr. H. M. Hafez

Chairman of the Working Group 10
